

# FW Supper Club night at ACH child and family services

Pictured are Cheryl Hart, Jan Eaves, Sylvia Conde, Catina Edmond, Sharon Tarkington and Marcie Frank. We provided the meal and then enjoyed playing bingo and just hanging out with the kids. The youth emergency shelter offers runaway, homeless and street youth as well as trafficking survivors, ages 10-17, 24-hour immediate safe shelter and care while ACH works to reunite them with their families, or find safe and stable alternative living arrangements. The program provides outreach, education, advocacy, counseling, and case management services for youth who are experiencing family crisis, family conflict, or homelessness.
