**Gently-Worn Women’s Shoes, size 5 – 8**

One person’s unwanted shoes can help provide meaningful opportunities that many women in developing nations need.

The donated shoes will be distributed to Soles4Souls’ micro-enterprise programs that create jobs in Haiti, Honduras and other developing nations for mostly women entrepreneurs. The micro-enterprise model provides individuals the ability to start small businesses by providing a steady supply of high-quality, low-cost product. They also give a second life to unwanted shoes, keeping them out of landfills and protecting the environment.

Since 2006, it has distributed more than 35 million pairs of shoes in 127 countries.
